

PROFESSIONAL DIRECTORS

Dr. Grace G. El Tayar, PhD., is a perfectly **trilingual** (Arabic, English, and French) **Attorney at Law** and the General Counsel of **Al Nasr Group** of Companies including Al Nasr Contracting, a multi-national contracting company established in the U.A.E. since 1971. She is a **Certified Board Director** by the Institute of Directors **MUDARA** (“IOD”) and **HAWKAMAH**, where she got certified and fully equipped with the core and fundamental knowledge and competencies needed to fulfill the Board duties effectively.

Grace moved to the United Arab Emirates in 2000 and embarked on her professional career in the GCC with the Abu Dhabi Office of the International Law Firm **Afridi & Angell**. In 2006, as legal advisor to the Board of Directors of **ADCB**, Grace provided advice regarding commercial transactions relating to ADCB’s activities, securities markets requirements, and shareholders’/stakeholders’ relation. Drafted policies pertaining to matters including but not limited to best practice procedures of Ordinary and Extraordinary General Assemblies, capital increase and decrease procedures, board meetings procedures, board secretariat procedures, disclosure procedures, and most importantly, submitted to the Board of Directors a corporate restructuring “Corporate Governance Report” which included policies combating related party transactions and insider trading, and a Code of Ethics Statement. Grace then filled the office of Director of Legal Affairs and Corporate Governance at **Rotana Hotel Management Corporation PJSC**, where she steered the transformation of the company from LLC to a PJSC. She also was the Legal Director of **Sorouh Real Estate Company PJSC** handling the legal transactions of local and international projects, local and international subsidiaries, and Company Board Secretaryship.

- Grace obtained the honorable associateship from the Institute of Chartered Secretaries and Administrators (**ICSA**), the Chartered Secretaries Qualifying Scheme (**CSQS**), and became a **Chartered Corporate Secretary** in 2014. She also joined the “Society of Trust and Estate Practitioners” (“**STEP**”) and was certified in **International Trust Management** (with distinction) in 2016. She successfully completed the **Harvard Business School Executive Education “Women on Board Program: Succeeding as Corporate Director.”**
- Grace has been a member of the **Beirut Bar Association** since 1997. She received her Master of Laws **LL.M.** in **Commercial and Corporate Law, Banking and Finance, and Intellectual Property** from the **University of London, Queen Mary** (graduated with Merit in 2008). She did various internships worldwide, including but not limited to the Legal Department of the Motion Picture Association of America, Inc. (“**MPPAA**”), the London Office of Willoughby and Partners, and the World Intellectual Property Organization (“**WIPO**”).
- Grace joined **AmCham** in 2001, participated in AmCham’s **Legal Affairs Committee**, and served on the **Board** of the Lebanese Business Council. Grace is an **Accredited Mediator (“RICS”)**, a Board-Certified **Master Trainer of Leadership and Emotional Intelligence**, and a corporate and personal transformation activist. She is passionate about **creating Shareholder and Stakeholder Value** through enhancing **Corporate Governance, CSR and ESG** cross contextually, starting from the Boardroom, and through gaining Strategic Advantage by means of **Mergers & Acquisitions**, from strategy and valuation to execution and **Post-Merger Management**.
- Grace is the CEO & Founder of **GTRANCE** through which she envisions to inspire and empower individuals and corporations into sustainable results. Her approach is to look at underlying layers and infrastructures, grasp the whole picture, and then try to build the corporation by strengthening the core and the internal capacities whilst addressing the different layers and the multi-dimensional aspects of the business through **Directing and Managing**. She aspires to switch the community from the language of mediocrity to the language of excellence, the notion of loss to that of sustainable results, and the culture of chaos and mere speculation to that of **strategy**.

Dr. Shaun Vorster

Dr. Shaun Vorster (D.Phil., MBA *cum laude*) is a UAE-based **strategist** and **adviser** with a track record of 30 years in the private sector, government and academia. He resides in the UAE since 2015.

Shaun originally cut his teeth as strategy practitioner navigating complex stakeholder environments in government during South Africa's first 20 years of democracy (post-1994). He served as Special Adviser to the national tourism and environment ministers in South Africa for 11 years (2004–2015), with a focus on strategy oversight, state-owned entity governance, regulatory reform, multilateral negotiations, and stakeholder management.

Shaun is currently Chief Development Officer at Aurora50, a UAE-based social enterprise led by Sheikha Shamma bint Sultan bin Khalifa Al Nahyan. Aurora50 implements innovative solutions to advance diversity and inclusion at corporate board level.

Shaun also serves on the advisory boards of the World Tourism Forum Lucerne (WTFL) and the World Tourism Association for Culture & Heritage (WTACH). He is a member of the executive committees of the South African Business Council (SABCO) in the UAE and the University of Stellenbosch Business School (USB) Alumni Association.

As extraordinary professor at USB, Shaun lectures strategic management on the MBA programme. He is a widely published author on corporate governance, integrated sustainability reporting, scenario studies, sustainable tourism, low-carbon aviation, and climate change policy.

As Vice President and Special Adviser at Expo 2020 Dubai (2015–2020), he was part of the core team that introduced the strategic planning and reporting framework across the multi-billion-dollar World Expo in 2015–2016. He was responsible for the profit-loss (P&L) account of the Dubai Exhibition Centre and incubated the USD \$100 million Expo Live Impact Grant Programme.

Shaun combines strong analytical skills, high-level influencing capabilities, and a deep understanding of the international business environment and public policy to create value. As systems thinker, he regularly leans on scenario-building to develop foresight, design plausible futures and manage risk.

Having completed 220+ missions to 60+ countries, he brings an independent and global perspective, as well as cultural intelligence to the table.

Shaun holds a Doctorate in International Political Economy (1998) and an MBA *cum laude* (2012) from the University of Stellenbosch. In 2019, in recognition of his global role as responsible leader, he received the Alumnus of the Year award from his alma mater.

He is a certified Professional Director of Hawkamah / Mudara IOD.

Manal Almazrouei

Ahmad Almulla

Ahmad Almulla is one of few who have combined experience in Information Technology and Supply Chain Management. This combination has enabled Ahmad to play a crucial role in the success of Dubai Aluminium (DUBAL) and Emirates Global Aluminium (EGA) as he served as a member of the executive committee for over 15 years.

Ahmad is credited as one of the driving forces behind the IT revolution at DUBAL/EGA, and a visionary leader who has ushered in an era of technological change in the company. During his over 30 years of service at DUBAL/EGA, Ahmad has been at the helm of various strategic initiatives envisaged to position DUBAL/EGA as a leader in technology and information-based infrastructure; and supply chain management. His experience and knowledge in Cyber Security domain has shielded DUBAL/EGA domain and information assets. Ahmad has also led DUBAL/EGA Information Technology division to win many international and regional awards.

During his career, Ahmad has been a frequent keynote speaker at many IT conclaves and symposiums; and has led many initiatives that have resulted in DUBAL/EGA receiving several prestigious awards. He has been a pivotal member of the Executive Management Team at DUBAL/EGA for several years, at which level he has contributed strategic expertise in global information systems, information system architecture, supply chain strategy and automation procedures.

Drawing on his insight into technology management and ability to create highly effective IT frameworks, Ahmad has effectively leveraged IT as a key catalyst for DUBAL/EGA's exponential growth over the past two decades. This has been achieved through optimizing operational proficiency via innovative use of technology. For instance, by innovating the supply chain process, DUBAL/EGA has saved millions of dollars in outlay while simultaneously creating a framework for procurement on its major expansion projects.

Having an MBA combined with business experienced enabled Ahmad to play the leading role in securing raw materials at competitive prices and was a key figure in concluding long term contracts for major raw materials with favourable pricing and payment arrangements. He also managed to optimize raw materials specs and inventory and helped lower the working capital of EGA.

Ahmad also has led the vision for a transformation program through the implementation of SAP in DUBAL/EGA and later the integration of multiple SAP system. The latter system not only revolutionized the way DUBAL/EGA business departments' function by using world class best practices, but also positioned them for future growth.

As part of community support, Ahmad has founded the CIOMajlis (A platform for CIOs to network and discuss IT related topics) and was the founding chairman. He also served as the vice chairman of Dubai Quality Group (DQG), In addition, He is a board member of the Association of Change Management Professionals (ACME) Middle East Chapter.

He holds an MBA from the University of New England and a bachelor's degree in Computer Engineering from the University of Arizona. He has also been a frequent nominee for international training sessions at prestigious institutes such as the IMD in Lausanne, Switzerland.

Currently, he advises board of Directors on IT strategy, cyber security, and IT governance. He is also a board member of CIOMajlis, which is a platform where CIOs network and discuss issues of common concern

In 2019, Amna was invited to join the Dubai Future Councils, a new initiative launched by His Highness Sheikh Hamdan bin Mohammed bin Rashed Al Maktoum, Crown Prince of Dubai, and Chairman of the Board of Trustees at the Dubai Future Foundation. Consisting of 13 councils, its main mandate is to envisage the future agenda of Dubai in strategic sectors and launch initiatives with both private and public sector partners to create the foundation for that future. Amna specifically plays an active role in the membership of the Dubai Future Council on Entrepreneurship & Innovation Ecosystems.

Launched in 2019 by His Highness Sheikh Nahayan Al Nahayan, Minister of Tolerance, Amna was also selected by the University Leadership Council and Université Paris II to be in the first cohort of the International Business Law LLM and graduated summa cum laude in 2020. In September 2019, Amna was also appointed to the College of Law Advisory Board of the University of Dubai.

Amna has also successfully completed the magnificent Director Development Programme for Corporate Governance (4 modules) provided by the prestigious Hawkamah Institute in 2019.

Previous to her employment at the DIFC Courts, Amna practiced as a lawyer in the litigation department with Hadeef Al Dhahiri & Associates, now known as Hadeef & Partners. Amna holds a Bachelor's Degree of Law from the University of Sharjah and obtained a Masters (LLM) with Commendation in International Commercial Law from Kingston University, London.

Bilal El Hoss

Bilal El Hoss is originally from Lebanon where I went a French school and thereafter graduated from the BUC (currently known as the Lebanese American University – LAU) with a BS Business administration with emphasis on finance and marketing – a joint program with New York University -. After graduation, I moved to France and joined Nasco France (NF) in 1990. NF is a specialized reinsurance broker ranked as third in France and Number one in the MENA Region. I have managed to during the years to take more challenges and responsibilities until I became in 2008 the head of the Marine, Energy and Aviation departments.

Following my exposure in the MENA region, I have been head hunted in mid 2012 by Guy Carpenter (GC) – which is part of the Marsh & McLennan group. I left Nasco France end of 2012 and moved to Dubai as Senior Executive Office of GC Middle East. My duties were to assist in the establishment of the company in the Dubai International Financial Center (DIFC), put in place the working process, run the office and develop the book in the region. The 3 years that I spent at GC were extremely enriching in knowledge and exposure to the US Companies “way of doing” things. In first quarter of 2016, Nasco France re-approach me (again) in order to be part of their plan to open an office in the DIFC so that they can be closer to their clients. Hence, I left GC and joined Nasco Re in March 2016, as a Senior Executive Office, also to assist in the establishment of the office and running it.

Since November 2018, I have been appointed as Head of Territories for Nasco Re – in charge of all the offices related to the strategic and development requirements – in addition to my SEO functions. It is worth mentioning that I sit on the board of Nasco Re for its entity in the DIFC and I am also an independent Board Member in MEARCO Insurance (which is an insurance Company in Lebanon).

He is a certified Professional Director of Hawkamah / Mudara IOD.

Dr. Ulf-D. Zimmermann

Dr. Ulf-D. Zimmermann, a German state resident holds an PhD in economics and machinery from Technische University, Berlin, Germany.

His career started in financials followed by a CFO position. He holds a long industrial career as CEO in different industries like energy, construction (FLICK Industries), engines (DEUTZ Engines), food technology (GEA AG Group) and advanced materials (CERAMTEC Group). As an expert in sales and marketing special markets in Europe, Americas and Asia he is deeply familiar with Mid size family owned companies as well as big corporations -also public listed ones - he had to manage in Europe, USA and Japan.

He is offering Private Equity financial experience for 14 years. During this time he executed take overs, IPO at New York Stock Exchange and various M&A's for PE firms as KKR, New York and CINVEN, London, UK.

Beside his experience as executive board member he is now engaged as non executive board member in US and European boards.

Since 2012 Zimmermann has been elected as Commercial Judge at District Court in Stuttgart, Germany, and is member of the German Industrial Board, (Wirtschaftsrat) Berlin, Germany.

He is a certified Professional Director of Hawkamah / Mudara IOD.

Maitha Al Falasi

Maitha is one of the few people in the Middle East who has art management and business skills and qualifications with a career spanning art, culture, business and finance. This places her in a unique position to advise and provide guidance on the artistic and commercial merits of art acquisitions and to make prudent decisions based on artistic as well as business criteria. As a result of her counsel, organizations investing in art consistently realize impressive returns.

As an Art Investment and Collections Advisor for diverse organisations and individuals since 2014, Maitha has extensive experience and unparalleled expertise in formulating and executing highly effective art selection strategies, evaluating collections, creating and managing art investment portfolios, allocating and managing substantial budgets, developing and executing marketing strategies, creating Art Estate Plans, selecting curators, and preparing business plans. The value of Iranian, Middle Eastern and Indian Art appreciated due to the support and exposure created by the art business strategy and the financial projections associated to each art sector and region.

Maitha was Director of Asset Management at the Dubai International Financial Centre (DIFC) from 2011 to 2014 and was the Centre's Director of Art and Culture for the preceding seven years (2007-2011). During this period she built the foundation and infrastructure for art and culture and significantly elevated the profile of Dubai's burgeoning art and culture scene. Based on a rigorous investment strategy, the ability to make sound projections and a well-developed insight into the aesthetic and financial value of art, Under her guidance, the value of organisation's art collection increased by 140% within three years.

Under her direction, the DIFC hosted several exhibitions featuring exclusive private art collections alongside high-profile corporate collections, including those of HH Sheikh Mohamed bin Rashid al Maktoum, JP Morgan Chase, and Deutsche Bank. As a result of Maitha's vision and highly developed strategy execution skills, Dubai and UAE became a hub for art, culture and art investments. At DIFC Investments, Maitha was a member of six boards with responsibility for strategic planning and overseeing the Investment funds and the company accounts. She enabled the organisation to pay its debts within three years and to become profitable by negotiating new investment objectives with the boards, reallocating funds into more profitable areas within the investment portfolios, conducting rigorous monthly financial analysis of the performance of investments and restructuring the organization following the Global Financial Crisis.

During her time at the DIFC, Maitha was concurrently directing Art Dubai, the largest and most established contemporary art fair in the Middle East, North Africa and South Asia. She was instrumental in shifting the content of Art Dubai galleries from 100% international to 40% of the works exhibited created by artists from the region, Middle East and North Africa.

Previously Maitha was Marketing Manager with Emirates Bank International, where she restructured and repositioned an under-performing institution to become successful within two years. She also changed the banking channel model from a small number of large conventional branches to open numerous smaller full service branches throughout the county with longer opening hours to improve customer access. Earlier roles included Account Manager at J Walter Thompson advertising agency in Dubai, where she developed award winning advertising campaigns for Procter and Gamble and the marketing strategy for De Beers diamonds, which included several events and product launches.

Maitha's keen interest in arts, jewelry and antiques and her experience in buying fine art, gems and antiques has involved visits to numerous galleries, museums and international antique markets throughout Europe. She has also studied the history of cultures of all Islamic dynasties.

Maitha has a reputation for her authenticity as a leader, creativity and for being a game changer. She has extensive experience in working with people from a diverse range of cultures and is known for her utmost integrity and unquestionable ethics.

Maitha has an Executive MBA from the London Business School, and has completed the Corporate Directorship program at the Institute for Corporate Governance in Dubai. She also has a double BA in Business Administration and Marketing & Advertising from the American University in Dubai. In addition, she has a Diploma from the IAA in New York and an Achievement Award from the IAA in New York, where she achieved second place globally and first place in the Middle East. She also has an award recognizing her contribution to the community from the American University in Dubai. She is a certified Professional Director of Hawkamah / Mudara IOD.

Andrew Smith

Andrew is currently the Founder and Managing Director at Accuro Consultancy, based in the United Arab Emirates with the key domain within the insurance and reinsurance sectors. Andrew is an experienced and successful head of business and certified board director, working with both conventional and Islamic insurance companies across the Middle East. An insightful strategic thinker with a proven track record of developing business plans and building sustainable businesses across the Middle East. Has developed, maintained and enhanced long term business relationships with Board level and regional regulatory bodies as well as a proven implementer of strategic business plans. Demonstrated extensive experience in corporate governance and has chaired and managed a number of executive governance committees that led to improvements internally and recognition of the company by local regulators. Experience spans across all areas of an organisation ranging from finance management, market development, technical development, emerging markets, and creating shareholder value. Gained significant knowhow establishing new insurance and re-engineering insurance entities in United Arab Emirates, Bahrain, Saudi Arabia, Lebanon and Kuwait. As a qualified board director, adviser, active participant and executive leader, Andrew is now seeking to develop his portfolio with select Non-Executive Directorships, particularly in need of his unique skills. Having chaired and managed numerous executive committees, he has a strong understanding of corporate governance and how to steer organisational development to enable successful growth. He has executed successful business transformation, with a specialism in insurance/reinsurance, and has acquired expertise in regulation, compliance, and risk assessment as a result. He effectively engages with stakeholders to manage expectations, collaborating across the workforce to ensure clarity of business visions. Andrew is eager to aid companies by creating opportunities for successful transformation and change as a Non-Executive Director.

**Michael
Mascarenhas**

Michael Mascarenhas is the CEO of Desert Group which is one of the world's largest concentrically diversified group of horticultural and lifestyle companies –centered around green, water and people – truly biophilic. At Desert Group he has articulated a clear vision, goals and expectations, decentralised decision making and focused on a performance minded organisation.

An FCA, MBA, CIA, an alumnus of the Saïd Business School and a Certified Member at Hawkamah, he has tremendous experience in business resuscitation and transformation and thrives in expansive business operations that have lost their direction. With more than 30 years hands-on experience of cross national, multi-sectoral businesses in an international environment, Michael's career and reputation is based on his achievements in accomplishing successful turnarounds of damaged or underperforming assets and transforming them into dynamic centres of creative energy where the employees are empowered and value is created for all stakeholders alike.

His cross sectoral experience include Aerospace, Education, Financial Services & Investments, Construction & Real Estate, Horticulture, Manufacturing, Distribution and Retail. A strong ambassador of CSR, Desert Group has one of the most vibrant CSR programs focused on Special Needs and Cognitive Disabilities, recently winning the regions Taa'theer CSR MENA award.

Michael believes that his experiences are something to share at a global level and that there are lessons to be learned through re-energizing businesses and transforming them to be both customer focused and innovative. Ultimately the purpose of a successful business is to have positive impact on society by enhancing people's lives and he recognizes that his customers and employees are at the center of this.

**Caroline Fattal
Fakhoury**

Caroline has joined her family's business, Khalil Fattal & Fils, first as Assistant General Manager of the Food & Beverage division, later as Chief Operating Officer of the entire group, and serves today as Senior Vice-President Corporate Functions and Board Member. Her executive responsibilities cover Human Resources, Audit, Finance, IT and Supply Chain across multiple geographies.

Throughout her career in the fast moving consumer goods industry, Caroline has held management roles in Europe, Latin America & the Middle East—learning best practices from Unilever, Kraft, Johnson & Johnson and Gillette.

Caroline combines 14 years corporate business experience with the skills of a certified professional business coach. Her experience as a Board Member of both Unilever & the family business make her aware of challenges facing shareholders, board chairs, board members and non-execs. Based on her own experience and her work with many businesses, Caroline can appreciate the complex and powerful relationship dynamics of a top management team at Executive and Boardroom level. She is a sought-after speaker and workshop facilitator on the topic of family business, and women's leadership at the board level — how to get there and how best to contribute. She is fluent in English and French and has a working knowledge of Arabic and Spanish as well.

She is a certified director of Mudara IOD.
